The world of mythical creatures born from human imagination.

Many imaginary animals believed to be auspicious symbols of good fortune originated in ancient China. The most famous ones are the "Big Four": the Winged Dragon, the Chinese Phoenix, Qilin (a hooved chimeric creature) and the Spirit Turtle. There are many more, not only from China, but also from Japan and other regions around the world. This book showcases illustrated artworks, along with sculptures and applied arts, featuring these good omens. The collection, totaling around 240 pieces, is accompanied by rich, enjoyable and approachable text by Jun'ichi Uchiyama, a professor at Miyagi Gakuin Women's University.

Chapter One introduces the auspicious animals that originated from China, showcasing around 30 animals with explanations. Chapter Two presents another 30 animals that evolved in Japan. Chapter Three focuses on 10 rare animals from around the world, including India, Australia, The Netherlands, along with China during the Qing Dynasty and Vietnam under the Han Dynasty. Besides Albino animals, some animals from this chapter are common nowadays, but they were rare to the people in 17-19th centuries Japan.

Bringing together masterpieces from Japan's three great ukiyo-e collections, the exhibition catalogue of the historic "UKIYO-E 2020" exhibition is now available worldwide!

This book is the exhibition catalogue for UKIYO-E 2020, an exhibition held in the Tokyo Metropolitan Art Museum from June 23–September 22, 2020. This exhibition has great significance because, for the first time ever, masterpieces from the Ōta Memorial Museum of Art, Japan, the Ukiyo-e Museum, and the Hiraki Ukiyo-e Foundation, museums that are reputed to be the three great collections of ukiyo-e in Japan both in quality and volume, were showcased together. The exhibition catalogue features 450 carefully selected ukiyo-e prints from the 17th to 19th centuries, offering superb coverage of the world's ukiyo-e masterpieces. This book will not only become a timeless keepsake of an historic exhibition, but will also be extremely valuable as the premier source covering the complete history of ukiyo-e.

**In the dead of night comes a
long-awaited new book.**

DaisukeRichard's first comic art collection book KIKANETSU (9784756251046) went viral not just in Japan but also internationally giving him a huge attention in the industry and leading him to do many new commercial works in collaboration with big companies and artists (e.g. book covers, album covers, character design for Netflix anime, a collaboration with Red Bull, solo exhibitions and many more). The title of this new book "USHIMITSUDOKI", meaning "in the dead of night" or "witching hour", was chosen because the many melancholic girls illustrated in this book were given wings and horns to make them look like Yokai spirits, adding a creepy feel to each of the illustrations (as in the cover art). Collecting over 140 illustrations, including original illustrations and commercial works, this book is the world's most anticipated book in the anime/manga illustration scene.

Round like a balloon! Ridiculously cute seals will make you happy!

You've never seen animals as round as these seals! The three seals featured in this book, Arare-chan, Yuki-chan, and Moya-kun, live peacefully in Kaiyukan, an aquarium in Osaka, Japan. There, they have charmed visitors, including photographer Chiho Kuwata, with their chubby, round bodies and smiley faces. Kuwata started taking photos of the three seals in 2018. Her photos show the seals swimming leisurely looking relaxed, asking for food with their cute round eyes, sleeping adorably like round balloons, etc. This book showcases a selection of the best shots of Arare-chan, Yuki-chan, and Mayo-kun from Chiho Kuwata's huge photo collection in an appealing small, square format. Full of roly-poly round seal pictures, this charming little book is the perfect gift for your friends, family and loved ones.

The definitive visual edition of a classic masterpiece.

The Book of Tea was originally written in English by Kakuzo Okakura in 1906 which is said to be the definitive guide to Japanese aesthetics. It is not a book on how to conduct a tea ceremony. Instead, it introduces aesthetic and cultural aspects of Japanese life to Western audiences through Teism by elucidating the Japanese tea ceremony's relationship with Zen, Taoism and Kado, and, more broadly, through a discussion of Japanese aesthetic principles, the essence of art and the true meaning of life.

This concept is visually enhanced by photographs taken by Yasuhiro Ookawa, offering readers the opportunity to appreciate a richer experience of the world presented in The Book of Tea.
