

# Moomin 100 Writing & Crafting Papers

## Moomin, Finland's popular character, now appearing in 100 Writing & Crafting Papers!

The story of Moomin began with the novel "The Moomins and the Great Flood" published in Finland in 1945. Its popularity not only in Scandinavia but also throughout the world is based on the comic series that appeared in the British evening newspaper "The Evening News" and an animated adaptation in Japan. This book presents colorful and fun writing and crafting papers featuring patterns that use Moomin characters excerpted from the comics. With papers that are good not only for writing letters, but also for various other uses such as decorating and wrapping, this is the long-awaited book of papers for Moomin fans.
