

# BELLES RUELLES 1er Rue du Chat d'Argent

## A collection of comics and illustrations in which emerging creators create fictional towns!

"Belles Ruelles" means "beautiful alleys".

This is an unprecedented collection of comics and illustrations in which 11 artists create a fictional alley filled with unique shops and facilities to form a town of their own.

The town called "EUFEMIA" is a town that trades in stories and memories.

Maurilia Street (also known as "Silver Cat Street") in EUFEMIA's old town is lined with unique shops and facilities created by various artists; each of their stories takes place without being bound by time on a single street.
